

What Can WE Do For YOU?

- Help you better understand the FP7 program.
- Help you find your topic in Theme1/Health.
- Help bring researchers and SMEs together in the right projects.
- Help support SMEs and researchers for successful participation in the Health theme of FP7.
- Support you all the way.

ACTIVITIES

- Guidance on choosing thematic priorities and instruments
- Advice on administrative procedures and contractual issues
- Training and assistance on proposal writing
- Distribution of documentation
- Assistance in partner search

What is HEALTH-NCP-NET

The Health-NCP-NET is the network of all officially appointed Health National Contact Points (NCPs) for the 7th EU Framework Programme (FP7). It spans across 39 countries in Europe and the world.

The NCP network is the main provider of advice and individual assistance for all FP7 issues
